Description :

PDF-fe418 | Five shifters left the colonies in late spring to explore the other side of the mountain range. What could go wrong? Ken was an unmated shifter who was growing ever more restless and eager for a change. When his brother and the other alphas appointed him to head up an exploration of the other side of the mountain range, he jumped at the opportunity. Without hesitation. There would be five wolves in... *Fire Wolf (New Scotia Pack Book 3)*
