Description :

PDF-78c12 | He knew her round eyes and the deep shade of brown along with the band of black that encircled her irises. He knew the slope of her breasts, the indent of her waist, and the flare of her hips. He knew the way she preferred to wear muted colors to help her blend in with a crowd. It had taken one look to put all that to memory, but he found his eyes going to her again and again, as if he couldn't ... *Heat: A Dragon Romance (Dark Kings)*
